

# Bloomsburg Democrat.

L DEPARTMENT.

Wednesday, May 8, 1867.

thank our readers for all local communications. If they do not receive a communication from the public eye, it is a clear statement of everything of our respective communities. A list of deaths, accidents, fires, removals, births, &c. will put them in touch.

Persons wishing advertisements to be sent in early on Tuesday noon, their insertion for that week.

The accounts of the firm of JACOBY & CO. as far as sent out for collection hands of the following persons:

Township.—John H. HETZLER.

—BENJ. ZIMMERMAN, P. M.

—U. J. CAMPBELL, P. M.

—STEPHEN BALDY,

green, Centralia, and Island—

RIVER.

Surf Township, bills for collection placed in the hands of MONTGOMERY, to whom payment is requested at the earliest convenience.

It Township, all persons knowing

in arrears for subscription, and

to the DEMOCRATIC, will please

pay to JOSEPH LILLEY.

—DANIEL HARTMAN.

—MICHAEL KELLER.

POINTED.—The Governor has re-

called Col. James Worrall, commissioneer

a bill relating to the passage of fish

asquachama river.

Court is still in session at this place.

Indemnity is not very large. In our

we found a synopsis of the process

yet no very important cause have

posed of.

The Democracy of Rush Township,

Montgomery County, held a meeting

ago, with the object of bringing

J. H. Kees more prominently before

in that County as their candidate

nominally.

The Gazette says that Prof. W. H.

Johnson of New Jersey, commenced his

in the old Berwick Academy

and ult. He comes among the people

Berwick an entire stranger, but well

versed as a practical and successful

or.

Dr. G. W. Rittenhouse of Berwick,

out to Dr. Sunderling, of Jefferson,

County, who will immediately ex-

ercise the practice of medicine in his new

Mr. R. intends, on account of his

to abandon the active duties of the

at present. He is highly spoken

physician and gentleman.

The Township Auditors of Cata-

ndal Mount Pleasant have compiled

law in regard to the publishing of

any fund account, as will be seen in

paper. Auditors of other townships

rough in the county should immedi-

ately to this master, as a fine lesson

for non-compliance.

CHANT TAILORING.—Mr. J. N. Ober-

merchant tailor, in this place, second

on our office, is turning out some

admirable work. He has a full stock of

spring and summer, and being one of

the days in this section of the country, he

fails to give satisfaction to his cus-

tomers.

GIVING.—The malicious men and boys

seem to have a chronic habit of nuc-

ing, tearing down posters altogether,

in the penalty of the law will be enforced

are 'eyes alert,' so look out!

The Good Templars in this town are

making a remonstrance against the il-

certain Restaurants in this place,

caused no little flutter among the

Restaurant keepers; but the indications

are the whole matter will blow over in a

time to the injury of no particular

party. How can the people do without?

What would become of those

the "brigade"?

The sermon preached by the Rev. J.

John, in the M. E. Church at this place,

the Annual Thanksgiving Day of the

O. F., on Saturday the 27th ult.

published in our next issue.

It was

advised us to let our first page (where

usually publish addresses) this week,

Committees should understand that our pa-

ssioned earlier in the week than any

others in this place, and in order

the same matter should appear in all

papers, the *next week*, the DEMOCRAT

will receive the copy first.

ATTENTION!—We would direct the

attention of our readers to the fact that

RAD KREAMER has replenished his

large stock of goods, at Jerseytown,

a pretty extensive mercantile dealer;

with his long experience in his line, he

is confident that he has made a selection

calculated to suit the trade of that

He deals in every article found

in a first class country store. Goods are sold,

a trifle lower than last year this

Mr. K. invites the public to an exami-

nation of his large stock. Country pro-

tection in exchange for goods.

NEW GOODS.—It is not often that

we see our local columns for the pur-

pose of giving information of the

great importance to young boys.

It teaches how the human frame becomes

the stronger, the better, and the brawnier.

Young lady or gentleman should fail to send

their address, and receive a copy paid up,

the simple sheets used by him, which effected a cure in a few weeks after the failure of numerous medicines. Send a sample of rope and stamp it and we will call on you.

DRUGS.—Brown's Bronchial Troches.

A large opp. Circular, giving information of the great importance to young boys.
